If yes, What?
- If I could dream a little, maybe I'll change the weather, cause the temperature wasn't so sympathetic... but in general, the trip was fantastic in all its faces.

  - I'd just like the visit to be a little more longer because we made really good friends there and we are missing each other so much now :D No , but seriously, the visit was perfect and i wouldn't change anything of it
- 9 What is the most important thing you learnt from the visit?
- I learnt how to go crazy, and some new words in english too.
  - that if somebody comes to my house the next year i have to speak english all the time, even with friends.
  - I learned important things of life, and I improved my english a lot, and it was an amazing experience, meeting new people and being more independent. ( and actually i learned Lithuanian too! )
- 10 Give some suggestions how we can make the visit to our country as good and rewarding as possible?
- You can try to organise more trips to famous places, or a gymcama... but I think it was great the way it was. :)
  - perhaps do it near summer, cause in vilnius, in the castle i really had cold.
  - Now I don't understand if OUR country means in Lithuania or Catalonia, but anyway, the bests things you can make in a country for visitors is visiting places, going to some places you can socialize, the most important thing is having fun while Learning!
